

**IMPORTANT INFORMATION FOR ALL DISTRICTS AND CLUBS SUBJECT TO
UNITED STATES TAX LAWS**

RE: FORM 990-EZ AND FORM 990 RETURN INFORMATION

In order to determine if your Lions district or club is required to file either Form 990 or 990-EZ, two elements must be reviewed:

- 1) The gross receipts amount and
- 2) The total value of the district or club assets

The following are several possible combinations of these two items which note the proper form to file:

- . If your district or club's gross receipts are normally less than \$25,000 then you need not file a completed return with the IRS. But if you receive a Form 990 package in the mail you **MUST** file a return without financial data, Parts I and II.
- . If your district or club's gross receipts are more than \$25,000, but less than \$100,000 and total assets are under \$250,000, then Form 990-EZ may be filed instead of Form 990.
- . If your district or club's gross receipts are less than \$100,000, but total assets are more than \$250,000, then Form 990 must be filed.
- . If your district or club's gross receipts are more than \$100,000, and total assets are more than \$250,000, then Form 990 must be filed.
- . If your district or club receives an IRS packet with a pre-addressed label, then it must file the return indicated in one of the four conditions noted above. Note: some states require a complete return even if one is not required by IRS.

The Form 990-EZ or Form 990 return must be filed by a Lions district or club meeting the above criteria by the 15th day of the fifth month (fiscal year - November 15th; calendar year - May 15th) after the close of the respective accounting year. The fiscal year reporting period of July 1, 2005 through June 30, 2006 requires that a 2005 tax form be used; the calendar period January 1, 2006 through December 31, 2006 requires use of a 2006 form. **DO NOT** send the original completed Form 990-EZ or 990 to Lions Clubs International. For your guidance a "SAMPLE" and a blank Form 990-EZ are available on the LCI website.

Please be advised that all Lions districts and individual clubs are exempt from federal income tax under Internal Revenue Code Section 501(c)(4); and this should be reflected in Part "J" of the Form 990-EZ.

It is important to note that not only have the laws changed, but there is growing evidence that the IRS is beginning to audit many of our clubs and other not-for-profit organizations. The IRS has and will assess penalties for failure to file timely returns. Even though no tax is due by most clubs, there is a general requirement to file a return as described above.
