## Blooms from: DG John Kontos

To all of our 11A-2 elected and appointed Lion, Lioness, and Leo Clubs' officers and chairs:

"I don't want to see us get to the end of our watches and find out that we just lived the length of them. I want us to have lived the width of them as well."

- **H**elp the qualified needy.
- **A**sk someone.
- **P**resent a solid goal.
- **P**lan your action.
- **Y**ou are responsible for your success.
  
- **N**ext day is too late.
- **E**mbrace your dreams.
- **W**Enners are WINners.
  
- **Y**ou must sponsor yourself.
- **E**dify your sponsor.
- **A**dvertise Team Spirit.
- **R**esolve continuous success.

A demanding First 184 days resulted in:

- Wonderfully planned and hosted Club Christmas parties.
- Generous and considerate yearly treatment of cabinet officers by our clubs.
- Considerable and financially successful club fundraisers and events.
- A well-founded and developed Berkley Charter Club.
- More interested clubs wanting Rebuilding help.
- More positive membership increases with less membership losses.
- More members willingly "stepping-up" seeking leadership roles.
- Seriously seeking target areas for new club extension.

A personal prescription for the next 181 days is: "When you reach your goal, Keep working it."

### **KUDOS TO:**

- PCC Paul Hemeryck for receiving 11A-2's Lions of Michigan Hall of Fame nomination. Good Luck Lion Paul.
- PRC Patti Barr for "stepping up" being nominated by the Novi Lions Club for the office of 2VDG for the lionistic year 2014-2015.
- Our many 11A-2 clubs for acting as if they will be bestowed the title of this year's Club of the Year.
- Our Region, Zone, Governor's Team, and interested candidates for completing their club visitations as expeditiously as possible.
- Our Lions and Lioness for seriously considering attending the Lions of Michigan Forum in February, our 11A-2 District Convention in March, the MD-11 Convention in May, the International Convention in July, the USA/Canada Forum in September, and the numerous Charity Dinners and events these coming six months.
- Troy middle school student Brianna Naughton for winning our District and MD11 Peace Poster contests, and is in the running of our International Contest, "Our World, Our Future." And to the Troy Community Lions Donna and Jim Quinn, middle school students, teachers, and principals for their active and successful support this year.

**Blooms from:

Continued**

- Our District Convention keynote speaker, International Director Dr. Hauser Weiler from Virginia. He is an ophthalmologist, surgeon, and a Lion very interested in Childhood Vision Screening and very interested in meeting with us March 28-30 in Grand Rapids.
- And to our 11A-2 Cabinet for its necessary attendance to all three of our February Region Meetings, our Last Cabinet Meeting in April, and to our March 11A-2 Convention. If you cannot make any of these functions, contact the host clubs so that you are not charged and billed for meals missed.

Ably and Honorably, "WE SERVE"

As I write this letter it is 10 degrees outside and getting colder. I'm sure we are all wishing for those summer days of 80 degrees, let's try warming it up by bringing in a new member. If possible attend a Region or Zone Meeting, visit Leader Dog, Penrickton, Michigan Eye Bank, etc and enjoy being a Lion.

The Michigan Form is February 14<sup>th</sup>, & 15<sup>th</sup>, here is your chance to learn more about projects in our District, State and International.

Now is the time for you to get your White Cane Supplies, for information contact PZC Bill Stevens.

Our 3rd Round of Region meetings are coming up and I am hoping for a good showing. I am looking forward to seeing you there.

I'm still looking for a Zone Chair for Region 1 Zone 2, if interested please let me know.

Stay warm and dress warm when outside. Happy Valentine's Day to all the ladies!

**2nd VDG Jim Leach JR  
The Wannabe's Wranglings**

February is upon us already. I, for one, am done with this cold weather and snow. The calendar says that we have 58 days until the first day of spring and 151 days until the first day of summer. Being in Michigan that means we should be done with the cold and snow sometime around May 4<sup>th</sup>! We have Indian Summers in the fall where it gets warm after the seasons change, I think we need to have a new phase where it gets warm and sunny before spring comes. As far as I am concerned, it can start tomorrow!

We had a really good Cabinet Meeting here a few weeks ago. Well attended and a lot of great information was presented. The next round of Region Meetings are approaching here in the next few weeks. It will be good to hear what all of the clubs are planning on doing to help support their community. It is always good to hear what type of projects/events other clubs are doing to get fresh ideas for your own club to try. You never know what might be a success. Upcoming events along with the Region Meetings are the Bear Lake Kickoff Dinner on Wednesday, February 12<sup>th</sup> at the Fraser Lions Den and the District Euchre Tournament also at the Fraser Lions Den on Sunday, February 23<sup>rd</sup>. I still have a few clubs that I need to visit, if your club would like me to come out, please contact me and let me know. I will be more than happy to spend some time with your club.

I will talk to you next month.

## Lioness District Liaison's Report

What a January so far, snow and very cold and we have at least two months of winter left.

Want to thank all of the Lioness clubs again for your generosity for our fall project. I have spoken to Kurt at Penrickton Center and he is going to e-mail me pictures and I hope to have them by the meeting on January 27th

As I mentioned our Joint Lioness Meeting is on January 27th at Leader Dog at 7:00p.m. At this time we will be discussing our spring project. Hope to see all of you there.

On February 12th is the Bear Lake Kick off Dinner. It is being held at Fraser Lions hall again this year. It is \$18.00 that includes buffet dinner and beer and wine., Should be a fun night. Again hope to see you there.

Our Region Meetings are set for February, first one being February 3 Region 2 at Fraser Lions Hall and Region 1 is February 6 at Leader Dog On Rochester Road.

The Lions District Convention is coming up March 28-30. It will be in Grand Rapids at the Hilton Grand Rapids Airport.

I really enjoyed visiting all of your clubs. I said at the Cabinet Meeting January 13 that we have a lot of hard working Lioness.

On a sad note Lioness Judy Oleson from Sterling Hts. passed away on January 13, 2014. She would have been president of the Sterling Hts Lioness Club this year.

You can reach me at 586-792-0329 or e-mail me at [sassycat1@wowway.com](mailto:sassycat1@wowway.com)

Sincerely  
Fran Black

## To all clubs in District 11-A2,

The 2014 District Convention will be here sooner than we can imagine. With that in mind, I and others will be planning the Memorial Service to remember those members who are no longer with us. We will be compiling names of deceased members from several sources including those names each club will offer.

We are asking that each club locate and forward a picture of each deceased club member who will be remembered in the Memorial Service. PDG Rich Pfeiffer will collect the pictures and put them in a Power Point format to be used during the Service. If each club could send the pictures electronically to PDG Rich at [pdgrich@yahoo.com](mailto:pdgrich@yahoo.com), as each deceased member is remembered, a picture will be available for all to see. If that is not easily possible, a photo can be scanned into the presentation please contact either PDG Rich or myself and we will make it happen.

Also, by this letter, I am requesting (as I have in past years) that each club send me a notification of any member who has passed away since our last district convention. Please send the name of the deceased member, your club name and, if possible, the name(s) of those who will be talking briefly about the member.

Thank you for your help.  
Lion Ray Babin, District Chaplain

## ***The World's Longest Lunch Relay - ID Esther LaMothe***

At our Board Meeting in Australia, President Palmer announced a special worldwide lunch that will take place during the April Family and Friend Month. He is asking each of our districts to plan a special event for one day in April. The tentative date is Friday, April 4, 2014.

### **Lions Longest Lunch Relay**

The lunch will take place worldwide, a 24-hour, international event that brings families and friends of Lions together in their local communities with families and friends of Lions around the world. It is a great opportunity to share a meal and celebrate Lion successes, service stories and the rewards of being a Lion.

### **Here's how the Lions Longest Lunch Relay will work:**

Participating clubs will schedule a lunch for their family and friends on April 4th. As clubs around the world host lunches in different international time zones, the Lunch Relay will move from time zone to time zone and steadily make its way around the globe, forming the Lions Longest Lunch Relay.

### **Here's how Lions can join the Lions Longest Lunch Relay:**

1. Plan a lunch event—Choose a time, location and menu
2. Register the lunch event - Share the time and location for the lunch (there will be a registration page on LCI's website)
3. Celebrate the event—take photos and share the fun through social media.

This lunch provides a great opportunity for Lions and community members to feel they are a part of something big, and can discuss and learn about what Lions do. This can be a women's event, a family and women's event, or simply involve both Lion and non-Lions who want to participate. This will be up to you to determine locally.

The Lions Longest Lunch Relay is a day of food, fun and fellowship. It's our chance to be part of something big—*really big*....so start thinking about the event today!

Esther LaMothe, ID

# District 11-A2 Project Kidsight Chairman Kay Furby Shares a letter from a parent.

October 7, 2013

Dear Kay Furby,

My daughter is a student at the Head Start program in Farmington Hills. In October of last year the Lions Club came out to her school, and did a vision screening on all of the students. Due to your companies screening I was notified that my daughter has a problem with her vision. Her pediatrician had done an eye exam on her a few months before the Lions Club, but since the Lions Club used more advanced equipment they found a problem that the pediatrician couldn't. Since the results of my daughter screening she has seen an ophthalmologist every two months, wears prescription lens, and an eye patch daily. I'm so thankful that the Lions Club was able to inform me of my daughter vision problem, because I truly feel that I wouldn't have caught onto this problem at such an early age, and knowing when she was still so young has made a big difference in her eye development. I'm so happy to say that a year later not only has her eye sight improved, but she no longer needs to wear an eye patch daily, and she has avoided needing any surgical procedures. If I hadn't known of her vision problem, a couple years may have past, and I don't know if we would have been as fortunate. I owe it all to the services provided by the Lions Club. Thank you so much for your hard work, and dedication to our children, and our community. My family and I greatly appreciate your services.

Sincerely,  
Chantel Kassab
