# Try And Stay Warm As You Love Your Valentine And Serve Your Community This February!

# Happy Valentine's Day

## DG Tom "Too Tall Tom" Hill

As we start the second half of our Lions year, I would like to thank all of you for the things you have done for District 11-A2. We have to continue to be the best in Michigan and International.

Those of you that did not attend the GMT Meeting missed a good program. The message was very clear on what we need to do as a District and as Clubs to bring our membership up. My thanks and appreciation to Lions Jack Patton, Ken Thiel, and Bill Taylor for their time and information provided. They are working on another session for those who did not attend.

As I started my year, I stated that our District had a lot of challenges. One was that each Club should make a pledge toward the kennel project at Leader Dog. Well, most have responded, and we are doing well. The Clubs that have not made a pledge yet, please take time at your meeting to make your pledge.

We cannot forget our other charities. There was an email from Bear Lake, their news letter had a wish list on it. Take a look at it, and see if your Club can donate something they might need. Penrickton also has a list. So, please see what your Club can do. To keep our District #1, we need to find a way to give to all our charities.

The next round of Region Meetings is coming up. I would like to see every Club President in attendance.

The Convention in April will be here before you know it. PDG Rich Pfeiffer has a lot planned for it. Complete your Convention form and submit it before the deadline.

As I am writing this letter I will be heading out to New Baltimore for their Polar Bear Plunge. Burrrrrrrr!!

Keep up all the great work you have been doing.

## 1st VDG Jim Leach JR The Wannabe's Wramblings

January was a good month. The Cabinet Meeting was well attended and had a lot of good information. Congratulations to PDG Doc Barr on becoming our "Living" nominee for the Lions of Michigan Hall of Fame. Also nominated was PDG Tony Coccia. Hopefully, we will have two more deserving Lions from our District in the Hall of Fame in a couple of months.

Coming up in February is the last round of Region Meetings. This is a great time to meet with other clubs and share ideas on fundraisers that you may have not thought of or tried. Also, we have the Bear Lake Kickoff Dinner on February 12<sup>th</sup>, the District Euchre Tournament on the 22<sup>nd</sup> and the Lions of Michigan Forum on the 28<sup>th</sup>. There are a lot of club events going on as well, check your emails for more information.

I am still finalizing the Cabinet and Committees for next year. If you haven't sent me your sign-up sheet, I will be more than happy to take it. I will need as much help as possible, together, we can make next year great! I still need someone to take over the District Project KidSight Program. Lion Kay Furby is unable to do it next year, so I need somebody or somebodies, out there to step-up and take over this wonderful Project. It can be split up into a Co-Chair position between two or more Lions who are willing to do it, it doesn't need to be just one person. The sooner you accept this, the more time you will have with Lion Kay to learn how to do everything.

That is all for this month, I hope to see you all at the various functions around our great District.

HAPPY VALENTINE'S DAY TO EVERYONE!

---

## 2nd VDG Lion Patti Barr

I can't believe the month of January is flying by. I hope your New Year has been going well. I started my personal New Year with a glass of Champagne at midnight. I started my Lions New year attending the Districts' Membership Training, coordinated by GMT, PRC Jack Patton offered two very informative Training Sessions primarily for the Membership Chairs. I hope you were able to attend one of them. In summary, WOW! Jack's team took us "Back to Basics" with ideas for recruiting and retaining our members. Some retaining ideas discussed were how about getting the new members involved immediately. How about an assignment such as sending birthday cards, get well cards or selling 50/50 tickets.

I had the pleasure of visiting the Shelby Lions Club this past month. They definitely have fun being Lions. Isn't that what it's all about. Shelby has fun and gets things done in the community. Great job guys! I have visited a large number of clubs in Region 2. I will be contacting the remaining clubs within the week. If anyone wants me to visit, please feel free to call me.

I hope you made the January Cabinet Meeting. There was lots of information and fun. Tail Twister Kay grounded RC Bob to his seat at dinner time. He listened to TT Kay who admitted she didn't think he would, so he was the last to eat! Mark your calendar, the next Cabinet Meeting is April 15.

The Michigan Lions Forum is coming up, February 27 and 28<sup>th</sup> in Lansing. Two days of fun and information. Learn about Mentoring, New Club Development, Tax Filing, Conducting Effective Meetings, Protocol, Roberts Rules of Order and the list goes on and on. Who wouldn't want to hear, for that matter, see, the Keynote lunch speaker, Miss Michigan K.T. Maviglia!? There isn't a Lion in our District that wouldn't pick up a bit of information at the Forum. For registration forms visit, [www.lionsdistrict11a2.org](http://www.lionsdistrict11a2.org) or [www.lionsofmi.com](http://www.lionsofmi.com). Have you turned your purple ribbon into gold yet?

# To all clubs in District 11-A2,

The 2015 District Convention will be here sooner than we can imagine. With that in mind, I and others will be planning the Memorial Service to remember those members who are no longer with us. We will be compiling names of deceased members from several sources including those names each club will offer.

A suggestion has been made that pictures be available when deceased members' names are mentioned. We are asking that each club locate and forward a picture of each member who will be remembered in the Memorial Service. PDG Rich Pfeiffer will collect the pictures and put them in a Power Point format to be used during the Service. If each club could send the pictures electronically to PDG Rich at pdgrich@yahoo.com, as each deceased member is remembered, a picture will be available for all to see. If that is not easily possible, a photo can be scanned into the presentation please contact either PDG Rich or myself and we will make it happen.

Also, by this letter, I am requesting (as I have in past years) that each club send me a notification of any member who has passed away since our last district convention. Please send the name of the deceased member, your club name and, if possible, the name(s) of those who will be talking briefly about the member.

Thank you for your help.  
Lion Ray Babin, District Chaplain
