Roaring News

District Lion Members, Lioness, and Leos, Greetings!!

Well, a couple of things ended recently; the month of October and the end of my paid working career!! It was a joyous occasion on that Thursday morning when I didn't need to get into my truck to go to work and that I would never have to again!

However, I will still continue my Lion career as your District Governor. Of course, First Lady Charlotte and I went to the kick off dinners in October and had a great time. Coming into

November we start the second round of Region meetings. This Governor is hoping that we will have as great a turn out as we did in the first round! IPDG John will be collecting canned goods at each of these meetings and bringing them to local food banks. In addition, Lion Dave and 2nd VDG Leo will be collecting eye glasses.

Something different will be happening at the next round of Region meetings. The cabinet secretary, treasurer, and all of the governors will be missing at the head table. If you see one of us at these meetings, we will be at the back of the room just being attendees. Actually, the purpose of this is that these meetings are the Zone and Region chair meetings, and there really is no need for those cabinet members to be there. We are the only district in the state that has a large head table for these meetings and maybe, just maybe, this might

be the reason they take up to two and half hours!

This is only an experiment to see how it works, so don't freak out! Everything will stay the same on the agenda except words from the VDG's and the DG will not be there. This will save 10 - 15 minutes (or possibly even more?). Really, the point of these meetings is for club presidents to brag and to inform other clubs of new projects and ideas that others in attendance could in turn bring back to their clubs.

On to other topics, like the Peace Poster: Lion Secretary Donna from the Troy club got one youth involved in a peace poster. I will bring this entry to the COG meeting in December. Thanks to Dilayia Dickerson, age 11, from the Baker Middle School for her entry. GOOD LUCK, Dilayia!

October was a bad month for Lions! We lost three great Lions within a week of each other. We send condolences to their families and friends. They will be missed by our Lion family.

All right, here we go into the HOLIDAY SEASON which are crazy busy for all Lions as they juggle fundraisers and projects galore, not to mention family time!! It is for that reason that I and the First Lady have decided to NOT have a District Christmas Party!! We all have enough to do, and feeling the need to attend ONE MORE THING is really not necessary. How about a Valentine's Party, instead?? We will keep you informed. . .

With all of that said, thanks for all that you do. Have a blessed Thanksgiving, and we will see all of you soon!!

Serving Into Our 2nd Century,

DG Lion Jack and First Lady Charlotte

On Wednesday, October 17, 2018, I attended the Martha T. Berry Foundation 3rd Annual Awards Dinner at Zuccaro's Banquet Hall in Chesterfield, MI. The Martha T. Berry MCF Foundation donates proceeds from this community event to fund projects and improvements at Martha T. Berry MCF and to provide needed essentials for quality of life for residents who cannot financially provide for themselves.

Martha T. Berry Medical Care facility was opened in 1950, largely through the generosity of the late Henry G. Berry, M.D., who practiced medicine in Macomb County for approximately 50 years. The building was named in memory of Dr. Berry's wife, Martha Taylor Berry. Currently the building is governed by the County Board of Commissioners and overseen by an appointed Board of Social Services. The Martha T. Berry Foundation plays a very important role in ensuring the highest quality of life for the residents of Martha T. Berry. The Foundation provides residents with opportunities for enjoyable and enriching experiences.

So let me tell you what happened that night. David Peters, President of A.H. Peters Funeral Homes, paid for several of his workers to attend the awards dinner. As I stood and waited for the event to begin, I noticed on the other side of the hall a beautiful lady sitting by herself. So I left my fellow colleagues and their spouses to go talk to her. Her name is Beeswan. She was the wife of the event's photographer and she knew no one. She was 82 years old and her husband was 69. We talked for 10 minutes and then the dinner began, and I left. After the conclusion of the dinner, I noticed she was by herself again. I walked back over. We talked for just over 45 minutes and I walked out with her and her husband. In that 45 minutes she told me she was born in the country side of Georgia, the youngest one of nine children, met her first husband and then moved to Michigan for an automotive job, and raised several children of her own. Her first husband died from cancer and two months later met her current husband who had lost his wife the month earlier. We talked about everything that night, I made a new friend and why did I do this?

Because Kindness Matters!!!

Hi to all the Lions, Lioness, and Leos out there.

The past four months have been like a roller coaster ride with all of the ups and the downs and the fast pace that I find myself moving at. I have learned a lot, but I have so much more to learn.

At the Leader Dog School in mid-October, I met with the leaders of a sorority who said that they would like to partner up with the

the Lions in a service project; specifically, the collection of eye glasses. The meeting came about after the sorority leaders had contacted Leader Dog. After they spoke with Beth Slade, she, in turn, called me and we arranged to meet with them. More to come on this in the next few months.

Speaking about eye glass collection; Lion Dave and I just shipped out a load of glasses that we had in the storage unit. PDG R.G. Barnum and three of his Lion members came down from 11 D-1 to pick up the glasses. District 11 A-2 turned in 80,000 pairs of glasses this time. **KEEP UP THE GOOD WORK!!** Lion Dave and I thank you. Remember that we will also will take all of the hearing aids that you get. A lot of good fund raisers are going on around the district between now and the end of the year and I encourage you to pick a few and have some fun. By the next newsletter we will all be stuffed from Thanksgiving Turkey.. enjoy !!

Notes from Lioness Liaison Angie Boomer...

As October comes to a close I am looking forward to the state conference coming up. I hope to see many of you that I know there and meet several new Lioness. It has been several years since I have been able to attend so it will be nice to have our club represented there again this year.

I would like to extend a special congratulations to the Macomb Township Lioness Club for being awarded the Club of the Year by PDG John Bingham at his Appreciation Dinner. A well deserved recognition for a hard working and successful club. Great job Macomb Township Lioness!

November brings us another round of Region meetings. Region I is Thursday 11/8/18, Region II Wednesday 11/14/18, and Region III Thursday 11/15/18. The Region III meeting is on the same night as a large fundraiser hosted by the Armada Lioness Club and I understand that the Region III Lioness will be attending that event. Please send your reports to me or your Zone Chair so your club report can be shared at the Region meeting.

Just a quick reminder my fall project, Penrickton Center. Thank you to the clubs who have already sent me their items for participation. For the rest of the clubs, I will be reaching out to you in the middle of November to arrange a time to meet up with someone from your club to pick up your donation items. I am hoping to gather all of the items by the end of November to drop off to Penrickton in early December.

Upcoming club activities:

Armada Lioness Ladies Plaid Shirt Night 11/15/18 from at 6:00pm
at the Berville Lions Hall (for info Bonnie 586-212-7495)

Macomb Township Lioness Euchre tournament 11/18/18 at 1:00pm
52175 North Ave, Macomb (for info Lioness Joyce 586-781-3668)

Eastpointe Lioness Christmas Party 12/05/18 at 6:30 pm (for info Lioness Diane 586-945-6022)

Please send me information on your upcoming events so I can add them to the newsletter. Also, I welcome clubs to send photos of your events to include with my monthly articles.

**2018-2019 DISTRICT 11-A2 LIONS CLUBS DIABETES AWARENESS & EDUCATION GRANT
"WE SERVE"**

DIABETES FACTS

- 422 Million People World-Wide Have Diabetes and 50% may not know they have it
- Since 1988, the number of adults with Diabetes Quadrupled
- The US population is 325 million; 38.3 million (11%) have diabetes and 27.8% are undiagnosed
- 10% of Michigan's 9.95 million populations have diabetes
- 26% of Michigan's population lives in Macomb, and Oakland Counties, where socio-economic factors attribute to higher diabetes numbers

Diabetes is at epidemic proportions World-Wide. Lions Clubs International Foundation has selected DIABETES AWARENESS AND EDUCATION as a priority initiative. Lions International has offered matching FUND Diabetes Grants this year. Lions Clubs of Michigan have applied for \$250,000 Grant from LCIF for 2018 which was submitted on October 1, 2018. LCIF will provide matching funds of \$187,500 for MD-11 and SD-10 with the eleven Districts to provide \$62,500. District 11-A2 needs to raise \$5,681 and we will receive \$17,045 for a total of \$22,726 to use for the following initiatives.

- ✓ Screenings with comprehensive care
- ✓ Camps, Symposiums and Retreats
- ✓ Infrastructure and equipment acquisition
- ✓ Human resource and capacity building

If each Lions Club would contribute \$150 in District 11-A2 by the end of December, 2018 we will have our matching funds of \$5,681 to receive the LCIF funds of \$17,045 to complete the above described initiatives over the next 12 months in our communities. Please consider contributing and write your check to District 11-A2 and in the memo portion of the check write: D.A.D. (Defense Against Diabetes). Please send your check to District Cabinet Treasurer:

LCIF – Lions Clubs International Foundation

Lions Clubs International Foundation empowers the service of Lions through grants given to humanitarian projects around the world. Funding these projects, which help so many in need each year, requires donations from Lions and potential Lions alike. We, as Lions, need to give to LCIF so that they can also return that “giving” in so many more ways that we can’t do alone. **YOU CAN DO SOME THINGS BY YOURSELF --- BUT YOU CAN ACCOMPLISH SO MUCH MORE WHEN WORKING AS A TEAM!** The Lions of Michigan are an important part of this “LCIF” team. **Campaign 100 will help us all by “empowering service” to those in need.** The funds that are raised over the next three (3) years will give Lions many opportunities to support our projects of Lionism. **“WHERE THERE IS A NEED – THERE IS A LION”**. Lions have been asked to step-up and help in the past & present. Many projects are in NEED of our help financially and physically. **All “global” needs are also “local” needs. LCIF funding needs our help and we need to use LCIF resources to help us with our projects.**

Hunger Relief Project Ideas

Nearly 800 million people go to bed hungry every night. Host a project to fight hunger in your community. Check out LCIF website for 25 Humanitarian project ideas.

Childhood Cancer

Children are a gift to the world, yet every two minutes a child is diagnosed with cancer and less than half of the world’s children have access to effective care. Children who survive cancer are often left with debilitating effects that can impact their physical development and ability to learn. That’s why Lions and Leos are answering the call to expand access to life-saving treatment and support the children and families who need us most. We are working to give children with cancer a second chance at life.

Support LCIF’s Sight for Kids

Lions & our partner, Johnson & Johnson Vision Care Companies, provides eye health education, vision screening and access to a professional eye exam to a child. Check LCIF website to learn more about other sight programs. Lions of Michigan have been doing eye screenings thru the “Kidsight” program in each District. **Michigan received Vision Screening grant in 2016 for \$48,688 and another in 2018 for \$47,000. Eversight of Michigan recently received a matching Standard Grant**

from LCIF to update some of their equipment which was submitted by District 11A2.

LCIF Awards Disaster Grants

For districts impacted by a natural disaster including tornadoes, hurricanes, floods, and tsunamis, Emergency Grants provide up to US\$10,000. Lions district governors may apply for disaster relief funds to help meet immediate needs such as food, water, clothing and medical supplies. **District 11E1 applied for an Emergency Grant to help with the August 28, 2018 Tornado relief.**

Fighting Measles Epidemic

With support from LCIF and the Gavi Matching Fund, 49.5 million children have been immunized in communities across the world. For the first time in known history, the annual measles death rate has declined to less than 100,000 deaths per year. LCIF applauds this achievement and is proud to have contributed to this success.

November is “Diabetes Awareness Month”

During the month of November, Lions all over are coming together in the fight against diabetes. According to the [International Diabetes Federation](#), an estimated 400 million people are living with diabetes and this number is expected to rise to 592 million by 2035. It is important for Lions to raise awareness for this deadly and debilitating disease. **State of Michigan was recently awarded a grant from LCIF for “Defense Against Diabetes” (D.A.D.).** Each District will be making a financial commitment towards this grant which will help Michigan Lions with diabetes screening, prevention, treatment and education. Contact your District Diabetes Coordinator for more information about this great opportunity.

Working together, we can use the LCIF resources such as grants to help us work locally on many of our Lionistic projects. The grants help us with funding to successfully accomplish Lion events where we provide service to those in need. **This year LCIF has offered a new “District & Club Community Impact” grant.** This grant allows the Lion’s project to address an important humanitarian need and provide an opportunity to highlight Lions Clubs in the communities they serve. If you would like more information on the “District & Club Community Impact” grant or other available grants from LCIF, don’t hesitate to contact your District LCIF Coordinator or the MD11 LCIF Coordinator. Don’t let this opportunity pass you by.

Make your 3-year annual pledge for Campaign 100 as soon as possible. Contact your District LCIF Coordinator to present a program for your club or Region meetings. They will provide further information. Every dollar helps us to “EMPOWER SERVICE”!
