April 2019

## Roaring News

Serving Oakland and Macomb Counties

[www.lionsdistrict11a2.org](http://www.lionsdistrict11a2.org)

Spring Greetings, 11A2!!

We have entered the last quarter of my term as governor. Hard to believe, but it's true!! Let's hope that the change in the season brings lots of new interest in becoming Lions!!

First, I want to thank RC Tammi and ZC Vikki for doing the first DAD forum. Lion Roger Blackwell was very pleased with how things went. This is going to be one of many forums. Remember, we as a district have \$22,000.00 to spend in one year. Please contact Lion Roger Blackwell with any questions.

Please, if you have pictures you want in the District News Letter or the Lion Pride, send them to Lion Jim Boomer ([jboomer1965@gmail.com](mailto:jboomer1965@gmail.com)) and not to

the Lansing office. This is the proper method for getting pictures in either of these two publications.

First Lady Charlotte and I made some club visits this month, with one of them being to the Sterling Heights Lioness Club. We had the opportunity to count ballots for the incoming board for the 2019-2020 Lionistic year. Congratulations and good luck next year!!

Another topic I would like to talk about is one that really gives me great concern. It is the future leadership at the district level. This is up to all 1368 members in this district. The district has the tools to teach Lions how to become a zone chair or a region chair, but we need volunteers to fill these positions. This problem will not fix itself. We are the largest district (member wise) in the state, but the way it's been going in the last couple of years we could fall pretty fast. So if you want to say we are the best, you better get off your butts and start proving it. If you have any ideas on improving this please let us know. We cannot rest on our laurels for too much longer and wait for someone else to do this. It has to happen now. If we need to change the way we do business, so be it. I have been a Lion for 23 years and most of the stuff we do on the district level is the same old same old. So please give this some good hard thought and let the cabinet know how we can improve. Remember, it's your district and we as leaders are the facilitators, not dictators.

In our club visits for the last 9 months, we have noticed how each club operates differently in one way or another. Some clubs don't seem to be aware that the Pledge of Allegiance, perhaps a patriotic song, and a prayer before eating are part and parcel of a Lions meeting, along with a comfortable and welcoming environment. If you want new members, you have to present yourself and your club as best as possible. At your next club meeting, try taking a hard look around at where you are; see if you think, "Boy, this is a place I want to meet every other week! Looks like fun!!" Perhaps some of the clubs that are struggling should, as a group, make a visit to a successful club. It's hard work (and I do mean hard) to be a successful club. Good things take time and require hard work by all. You will know when you reach that point, and then you will realize that it's hard to maintain that level of success, as well. Ok, now it's time to get off my soap box!

Onward and forward, it's Convention time!! Lions Dick and Nancy Maxwell, along with Lions Jan and Frank Cunningham, have been working very hard so we can have another great convention. Please remember to submit the review form for the convention. We have been gathering ideas from other district conventions that we have been attending and we would welcome new ideas and formats from you, too. We don't have to "do it the way we always have!!" As a reminder, there will be a special program on human trafficking at 2:30 on Saturday. We have the privilege of having the executive director, Ms. Kathy Maitland, of M.A.P. (Michigan Abolitionist Project) doing this presentation.

That's it for now! See you at convention. Hopefully the temperature will increase as April moves along.

DG Lion Jack Patton

"Serving Into Our 2<sup>nd</sup> Century"

See you at Convention!!!

### LOGIN INFORMATION FOR MYLCI AND MYLION.

On Wednesday, March 27, 2019, Lions Clubs International updated the procedure for logging into MyLCI, MyLion, MyLion for Web, and the Lions Store from Lions Clubs International's website. The first time you login after March 27, 2019, you will be asked to create your Lion Account. Your username will be your email that is registered with Lions International or you can use your mobile phone number that is registered with Lions International. For your password, if you have already registered for MyLion prior to March 27, 2019, the MyLion password will be your password for your Lion Account. Otherwise you will be asked to create a new password. Be sure to have your Lions' member number available. You may be asked for it. If you do not know your member number, you can ask your club secretary for it.

#### **Advantages for the new login.**

- Only one username to remember and one password to remember for MyLCI, MyLion, Lions Store, and other future applications that are soon to arrive.
- You can (or will be able to very shortly) change your email and mobile phone number that is registered with Lions Clubs International without going through your club secretary. Just use the settings in your Lion Account. You will probably be able to change your address through your Lion Account in the future.
- Once you're logged in, you can access "Insights". Insights is a webpage that will show you one year of statistics for Membership, Service Activities, Donations, and Club Growth for District 11-A2.
- Easily able to login into any application directly from Lions Clubs International's website.

**If you need help or having difficulty, please feel free to contact me by phone, text, email or stop me at the District Convention in Bay City and we'll fix it there.**

**What did the left eye say to the  
right eye?**

**Something in between us smells.**

NO APRIL FOOLS JOKE!

Congratulations to all of the clubs in the District and to the individual members as 11A-2 is on the plus side for membership for the first time this year!

March was a very busy month filled with meetings, club visits and with getting ready for the convention. On top of all of that, Sharon

and I celebrated our 42<sup>nd</sup> anniversary on the 25<sup>th</sup> of March; how time flies when you are having fun! April will be another busy month with the Convention, Lioness Forum, cabinet meeting and with visiting the rest of the clubs in the district.

Please relay the following information regarding grant monies available to all of the clubs in the district for any new member who is installed in the month of April. Lions International will give a \$35.00 grant (payable in two installments; one on December 31, 2019 and the second on June 30, 2020) provided that the new members stay active. This can be a great recruiting tool for the month. Try to take advantage of this great opportunity.

See you all in Bay City!

2<sup>nd</sup>.VDG Leo

Please Remember...

We will again collect all used eyeglasses at upcoming Cabinet and Region meetings. Please bring your glasses in a sealed box and without cases. We also welcome any used hearing aids that you might have.

Lions Leo and Lion Dave

You know that increasing, retaining and engaging your members is the key to a healthy club and impactful service. With the right resources, your club can celebrate new members and current members while engaging in meaningful service in your community. That's why we're offering you a special opportunity to receive a service grant when you add new members in April.

Here's how the service grants work:

- **Add new members in April** – Clubs will have an opportunity to receive a special grant for new Lions who are reported during April 2019.
- **Apply for a grant** – Clubs can apply for a Service Grant for New Members, which awards a total of US\$35 for each new member in two equal installments on December 31, 2019 and June 30, 2020 club statements if new members stay active.
- **Engage new members** – Funds should be used to plan activities that engage new members in service so they have a great onboarding experience in your club.

These service grants will allow you to invest directly in your new members so you can make their first year a memorable one. Don't miss this incredible opportunity to grow your club's impact by inviting new members in April and inspiring a lifetime of service.

In friendship,

Gudrun Yngvadottir  
Your International President

## Defense Against Diabetes Forum

District 11-A2 sponsored the first Defense Against Diabetes Forum on Saturday March 23, 2019 at the Macomb Township Lions Club Hall from 10:30am to 1:00pm; an educational and inspirational 2 ½ hours. In attendance were 25 Lions and family members. During the first half hour many attendees were able to get free Diabetes screenings with Alliance Health Professionals who administered the blood glucose testing. A big “Thank you” goes to Region Chair Lion Tammi Graber and Zone Chair Lion Vicki Gray for leading and facilitating this D.A.D Forum in the Region 3 Area.

We had several speakers sharing their expertise on diabetes. Dr. Czapp of Alliance Health spoke on diabetes prevention and living well with diabetes. Region Chair Lion Tammi Graber presented the importance of exercise with diabetes drawing from her knowledge as a Curves Instructor. Debra Studebaker of MSU Extension prepared a dish appropriate for cooking with diabetes. Lisa Mason, Vice President of the Greater Detroit Area Health Council, discussed her organization which has a program with several of the hospitals in the Southeast Michigan Area focused on the Prevention of Diabetes classes.

Three people gave testimonials at our D.A.D. Forum. I want to thank Lioness Lynn Voisich, Tonya Nofs, and Lion Chris Schulenburg for their personal inspirational talks concerning both Type 1 Diabetes and Type 2 Diabetes.

District 11-A2 plans to have several more D.A.D. Forums in different locations throughout the rest of this year to provide information about diabetes to all of our members and families. Also, we will be coordinating diabetes classes for all who are interested in learning more about living with diabetes. We will be working with several of the health organizations in Oakland and Macomb Counties.

Thank you to all of the Lions & Lionesses in District 11-A2 for your support in working on our Defense Against Diabetes Grant. You help to provide funds to educate and improve the lives of people living with diabetes, prediabetes, and those with other factors leading to diabetes.

Best Regards,

Roger Blackwell  
D.A.D. Grant District 11-A2 Project Chair

# HAVE GRIT WILL TRAVEL

As a Marine in Vietnam, Jeff suffered multiple injuries ranging from broken bones to shrapnel in his brain. But he never encountered a situation he couldn't handle until he lost his vision due to **central retinal artery occlusions, a series of stroke-like blockages in the eyes.** Now with the support of Leader Dog Dudley, he's living an active life and the only challenges he encounters are the ones he seeks out.

More than **75,000 people become blind or visually impaired** each year. In stark contrast, only **10% travel independently with a guide dog or white cane.** But with your help, we'll raise and train even more of these capable canines. And together, we'll make people unstoppable.

### **The Macomers**

*The Macomers are one of the finest show choir in the state. Michigan's oldest college show choir, founded in 1970, has grown in emphasis and stature. Although constantly changing its musical selections and member, The Macomers continue to receive rave reviews.*

*They have appeared on stage at the Macomb Center with some of the biggest names in the music industry including Neil Sedaka, Judy Collins, Marvin Hamlisch and Tom Jones. They have performed for local school children and U.S. presidents alike. Each year, they take center stage at the Macomb Center in two "extravaganzas" to help benefit the fund which provides for their scholarships. They have been booked by such clients as Chrysler Corporation, Henry Ford Hospital, Beaumont Hospital and Sterling Heights Library. They can perform at your organization's next event for a fraction of the cost of other performers.*

*The Macomers use their first two years of college with a commitment to singing and dancing. Some hope to make it a career and, indeed, among The Macomers alumni are professional entertainers who have taken their talent aboard cruise ships, on stages and inside television sound studios. Even more use their Macomers experience to become teachers and leaders in business and the community. But, whether or not they remain in the performing arts, most former Macomers say that the experience of being on stage was one of the most memorable and transforming of their lives.*
