

District 11-A2

July 2019

Roaring News

Serving Oakland and Macomb Counties

www.lionsdistrict11a2.org

Greetings my fellow Lions, Lionesses and Leos.

As you are reading this article, I am in Milan, Italy being installed as District Governor for your Lions District 11-A2. Next month I will have pictures and an article regarding the wonderful time that I spent at 102nd International Convention. If you want to see what's going on now or has happened at the international convention, download the LCIcon 2019 app which is available on the Apple App Store or on Google Play. If you want to you can also message me from the app on your phone.

Prior to all of the District Governor-Elects leaving for Milan, we were required to take 3 online courses through the Lions Learning Center. One of the courses specifically centered around harassment of all types

and the proper etiquette for Lions, not just at the International convention, but throughout the year. Remember "Kindness Matters".

First of all, I want to congratulate IPDG Jack Patton and all of his cabinet members on a wonderful and successful year. Please remember IPDG Jack's Appreciation Dinner on October 12, 2019 at the Indianwood Golf and Country Club in Lake Orion. The past few years have gone by faster than I thought they would have. It seems like only yesterday that I was attending a region meeting as club president of the Eastpointe Lions Club and giving a report. That's when I won the 50/50 and Screaming Scott all started (along with some help from PRC Roger Blackwell at the next meeting).

I want to extend a big thank you to GLT District Coordinator Jim Leach Jr. for another cabinet officer training session and a club officer training session which were both held at Leader Dog for the Blind in Rochester, Michigan. If you missed the first club officer training session, there is another session scheduled for Saturday, August 24, 2019 to be held in the banquet facility at Leader Dog. Doors open at 8:30 AM and the session begins at 9:00 am sharp. If there are any questions, please contact GLT District Coordinator Jim

Leach, Jr by email at jamesleachjr@yahoo.com or by phone at (248) 561-3203.

If your club has something to post in the district's newsletter, please send your article and/or pictures to District Editor Jim Boomer at jboomer1965@gmail.com.

Cabinet installation will be held on Sunday, July 21, 2019 at Jimmy John's Field in Utica, Michigan. Doors open for Lions only at 11:00 AM and the installation begins at 11:15 AM. You have to register online so Jimmy John's Field staff can prepare the experience. Make sure you use the special offer code "**LionsClub2019**" (No Spaces).

I look forward to the challenges of the upcoming year and proudly serving as your District Governor.

Good bye for now.

From Milan, Italy.

Building the Pride

The end of one, and the start of another...

2018 – 2019 was a very good year. A lot of good things took place for our District, including the grants that we received for the Defense Against Diabetes (DADS) project and for the Bear Lake Camp. These things happen because the Lions of 11-A2 care and are looking to help others.

BUILDING THE PRIDE

In 2019 -2020 we are looking to build the pride and to retain those that we already have in the pride. I know that every June and July we see a drop in membership. I hope this year we can keep it to a moderate amount. Every club in the District should be looking to retain each of their members. You worked very hard to get them, so do a little to retain their membership.

Don't forget the Installation at Jimmy Johns on the 21st as well as all of the outings and other things going on in the District this summer. I look forward to seeing all of you throughout the coming year and I will start making my club visits in August.

2nd Vice District Governor's Thoughts

I would like to start off this column by thanking all of you for showing your support for and belief in me by once again voting me in as your 2nd Vice District Governor for this year. I am very excited about the upcoming year and I am looking forward to serving you over the next several years.

This should be a great year with Governor Scott at the controls and 1st Vice District Governor Leo right alongside of him. I have been in Lions and around Lions for a long time but that doesn't mean that I have stopped learning and growing. With your help, I will do both this year. If your club has an upcoming project, event or fundraiser then please let me know as I would like to come out, visit your club again and give you a hand.

We just finished up a great year with Immediate Past District Governor Jack and it will be wonderful as we continue that success into Governor Scott's year and beyond. If we all work together it is possible. You must believe in what you do and why you do it. There is a quotation by Georg W. Friedrich Hegel that I think sums up what we, as Lions, Lioness & Leos do: "Nothing great in the world has ever been accomplished without passion." We are a passionate group that is for sure but, I think you must be if you want to help others.

I think that is enough for this month. I would like to again thank you for your support and I look forward to seeing all of you. Have a great summer!

2nd VDG Jim, Jr.

Notes from Lioness Liaison Kim Bone...

Hello everybody!

I do hope that you all have some fun summer plans ready to go. My name is Lion/Lioness Kim Bone and I am your Lioness Liaison for this year. My plan is to come and visit every one of your clubs, so I will call all of the secretaries to schedule a time with your specific club. I am going to get to the farthest clubs first while the weather is good.

My project for the Lioness this year is Project Kidsight (I am on the board and I am also a screener) so I do hope we can all pitch in some coins here and there. If it's easier, a donation when I come to visit your club will also work. Let's have a fun year and I look forward to hearing about all of the fantastic fund raisers that you do.

I have never had a position such as this so I hope you will bear with me this year. I will be learning as I go. See you all soon.
