May 2019

Roaring News

Serving Oakland and Macomb Counties

www.lionsdistrict11a2.org

Greetings, fellow Lions, Lioness and Leos of District 11A2!!

I just want say thanks again for all of the hard work that was put in to make ours a great district convention this year. When you have great food and great Lion friends, this equals a great time. We also received a great message given to us by our guest PID, Mel Bray and his wife Ginny.

The first of May marks the official start of the DAD program. The grant monies we received from LCIF are good for 12 months. If any club would like to put on a DAD program in their community, please contact Lion Roger Blackwell; he can get you started in the right direction.

A couple of dates to remember this month: First is the May 11 Bear Lake

spring cleanup. This is a good chance for new club members to see the camp, so sponsors, bring them up and put in a couple of hours of work. Then on the 15th is the "Very Special Evening" Beaumont Silent Children's 40th annual dinner and program. This is another great event that new members should attend with their sponsors.

Next is the MD11 (multiple district) Convention. This all starts with the Leader Dog kick off picnic on Thursday the 16th. The convention is at the Marriott in Auburn Hills from May 17-18, 2019. Since this convention is in our District, I was asked if I could get some volunteers to help out at the registration table, credentials desk, the selling of Lions merchandise and some other small jobs. This help will be needed Friday the 17th, 11am-3pm and Saturday 18th, 8am-1pm. Please let me know if you can help.

THINGS TO REMEMBER:

Club secretaries, get your PU101 in ASAP.

Club officer training will be held at Leader Dog on the 15th of June and the 24th of August--look for the flyer.

Pictures for the district newsletter and Lions Pride need to be sent to Lion Jim Boomer (jboomer1965@gmail.com), and NOT to the Lansing office.

The Service Grant Initiative has been extended until the 30th of June. Sign up new members and get grant money for your club to help new members!

Oh, by the way, First Lady Charlotte's project, "Dock Dollars", is doing great! District 11-A2 has made me proud the way all of you and your clubs are stepping up and donating. Plus, the Lioness have made Dock Dollars their Spring Project! This is why 11A2 is the best district in the state.

This was short and sweet! Kind of like my time as your District Governor: the time now is short, but it's been sweet!!! Have a wonderful May, and I'll be in touch one more time in June. Please don't blame the publisher of this newsletter if it seems a little tardy; this governor is getting a little crispy . .

One thing we as humans do on a regular basis is overlook people's accomplishments and not give them credit. It does not have to elaborate when you acknowledge a person's time and commitment that was performed. The last weekend of April started our White Cane Week and I was standing at the corner of Nine Mile Road and Gratiot Avenue collecting donations from all kinds of people. Besides thanking everyone for their donation, I made it a point, that when I saw a Veteran, I would personally thank them for their service to our country.

I saw two Veterans for sure. The first gentleman was wearing his military hat and I asked him if he was a Veteran. He said, "Yes I Am". I extended my hand for a handshake and said, "Thank you for your service". That simple act caused a smile, not the ordinary smile but one that causes lips to turn inward and wrinkles to form from the edges of the lips. The second gentleman was grabbing a dollar out of his wallet and I saw his Veterans Administration card. I asked him if he was a Veteran and he said yes. I said, "Thank you for your service" and he gave me a simple smile and five second head bob. This simple gesture goes a long way.

We need to extend our gratitude to our members. A professional job that one holds to support his family is different than a person's service to any service organization. A job has a superior that can dictate to you what has to be done. If a task has not been completed a superior can threaten the removal of pay which in turns removes food from your family's table. Or threatens you with a lower rank or status. A service organization is different. A service organization should not have a dictator but have a leader. A service organization (or a leader) should not threaten people because the work is voluntary with no monetary pay. The only pay volunteers get is the satisfaction of helping others. Satisfaction of making someone's life better. We need to dictate less, start asking more and say "Thank you for your service".

2VDG Leo Schaefer

I would like to extend a big thank you to everyone from 11 A-2 for your vote of confidence!

Well, here we are at the end of April and still looking for spring. We had wind, rain, and snow at the Convention this year, but a good time was had by all.

Sharon and I picked up PID Melvyn Bray and his wife Ginny at MBS Airport on Friday morning. After a great convention week-end we took them back to the airport on Sunday afternoon. Their fun started at that time as Michigan weather proceeded to delay or cancel their flights until Monday at 5 o'clock. They were finally to arrive in Newark around 10:16 Monday night! They e-mailed that they will remember this trip for a very long time, especially the welcoming group at the hotel the 3 times they had to come back!

April 25 saw the Armada Lions hosting the Lions Club from Strathroy, Canada for the 42nd consecutive year. There was a total of 46 Lions at the meeting; 18 were from the Strathroy Lions and 28 were from the Armada Lions. These two Lions clubs have been meeting twice a year since 1977; once in the spring in the U.S. and then again in October in Canada.

All of the clubs in 11-A2 have done a great job of member retention this past month and with getting new members into their clubs. Keep up the good work! Clun Officer Training for all members of the new Cabinet (and anybody else that is looking to step up in the next few years to be on the cabinet) will be

held on **SATURDAY, JUNE 15, 2019 AND SATURDAY, AUGUST 24, 2019**. It will be held at Leader Dogs for the Blind. Doors will open at 8:30 and the session will start at 9:00 a.m. sharp in the Banquet Room. Remember, we still have 2 full months to reach all of our goals for the 2018-2019 year...

Thanks!

Notes from Lioness Liaison Angie Boomer...

Happy Spring! We had our Lioness Forum meeting at Leader Dog on 4/22/19. There were about 65 attendees, which was a great turnout especially since it was one of the first gorgeous, sunny days that we had! Thank you to Macomb Township Lioness and Sterling Heights Lioness Clubs for providing our dinner, refreshments, and desserts. As always, the food was excellent!

At the forum I announced my Spring project, which is Dock Dollars for Bear Lake Blind Camp. For anyone not familiar with this project, it was started this Lionistic year by First Lady Lion Charlotte Patton. The goal is to raise money for special docks for the camp that handicapped and wheelchair bound children will be able to use to get themselves into a kayak without the assistance of another person. FL Charlotte has worked hard to raise money for this cause and is almost to the goal of being able to fund two docks. I am asking our district Lioness Clubs to contribute to this cause as our spring project. The sense of accomplishment the children will achieve in the use of these docks is priceless.

Also, at the forum I awarded a very special club with the Lioness Club of the Year award. Although it was by far the most difficult task as your Liaison, because I feel EVERY club is deserving of this award in their own way, I was honored to present this award to the Sterling Heights Lioness Club. Congratulations Sterling Heights Lioness and thank you for all that you do for your community and our Lioness District.

Shown here are spectators gathering at the flag pole to watch the Polar Bear Plunge and Lion Ben Schelke announcing the winners of the Chili Cook-off.

The Eastpointe Lions White Cane Kickoff Dinner was held on April 18 and was complete with good company, great food, and awesome entertainment! They celebrated not only the club's 70th anniversary, not only their 40th year having the Maccombers entertain them, but also the 20th anniversary of Lion Randy being White Cane chairperson! See what happens when you do a job too well, Lion Randy?

The Eastpointe Lions wish to thank the many other Lions clubs who turned out in support of their club. Also in attendance were the Eastpointe mayor and fellow Lion Suzanne Pixley, Council Member Cardi DeMonaco Jr., many present and past Lions' Cabinet members as well as four Past District Governors and the current District Governor-Elect!

The Eastpointe Lions awarded two scholarships to the Maccombers. The Roseville Lions awarded one to them, as well.
