March 2022

What a great round of Region Meetings! Holy Cow are the clubs busy and getting even busier! It is so good to hear how you are out in your communities supporting them and making sure that the needs of the community are met. This was the last round of Region Meetings for the year. I hope that all who attended them throughout the year left with a new idea or met a Lion from another club and will be able to share ideas with them. One of the main reasons for having these Region Meetings is to get clubs together and share ideas on fundraisers, projects, and events.

Officially, we have one Cabinet Meeting left in April and that will do it for District meetings for the year. Thank you to all of you for coming out as I know that there were probably at least 5 other things you could have been doing other than attend yet another Lions meeting. I need to thank all of the clubs who donated money to the Oxford High School shooting fund. In December I asked all of you, if possible, to donate some money to help out. I am very happy to say that as of right now we have donated \$2,800! I mentioned this at the Council of Governor's meeting this weekend. I had one Governor hand me a personal check and three others say that they have it on their agendas for their next Cabinet meeting. I am going to wait another month before turning over the money just to see if they do donate. If your club has not donated and would like to, there is still time. The Council of Governors

has already approved a donation of \$2,000 to the fund so that amount will be added to our donation when we make it. So, THANK YOU, THANK YOU, THANK YOU!

March is a busy month. It looks like we will be having an in-person convention! There is still plenty of time to register. Hopefully, this is the first step in going back to a more normal routine. Aloha!!! Convention looks like it should be a lot of fun, it will be great just to be back and able to see those Lions we have not seen in a long time. There is a blindfold lunch scheduled that you could sign up for. GMT Lion Tammi Graber is putting together a breakout session on membership. I know, membership? It is almost like a four-letter word to Lions, but without it, we do not exist. Lion Tammi is a fantastic speaker and motivator who has some great ideas on how to recruit new members. She will be doing another breakout session at the MD-11 convention in May. This is something EVERY CLUB could use. Face it, we are all getting older, no avoiding that, I think innovative ideas can help everyone. Our International Guests for the weekend are International Director Robert Block and his wife, Lion Brenda from Illinois. If you can make it, sure would be great to have you there! REMEMBER, the convention will have a HAWAIIAN THEME all weekend long except for the Saturday banquet. Let's try and have as much fun as we can!

Cash for Camp update: The project is going great! Many of you have generously donated to First Lady Kim's special project, and the big basket is growing, Genevieve sat down on her day off from school and counted it. At that time we were at \$2,500!!!!!! That is just so amazing! Lion Kim is so happy about that. It is money that the camp can desperately use. Thank you all very much for your generosity! The basket will be at all of the district meetings and is ready for your change. This is yet another example of "Together We Can, Together We Will." I mean really, who has \$1,200 to just give? Not too many people, I know. But ask someone to throw in one or two dollars and they do that without even thinking about it. That is why this project works; it is simple and it is easy. We can all be proud of what we have done together.

Thank you for all you do and all you serve.

Talk to you next month.

Governor Jim

Alone we can do so little; together
we can do so much.

What's Going On Around the District??

The District 11-A2 Euchre Tournament, sponsored by the Eastpointe Lions Club, was held at the Fraser Lion's Den on February 20th

PDG Tom "Too Tall" Hill and Lion Lester Dobberowsky took First Place in the tournament and are shown here alongside Governor Leach with their trophies. Congrats fellas!

Second Place in the tournament was awarded to PDG Jim Bone and Lion Tracy Antrikin. Well done!

Third Place was awarded to Lion Wally Stamper and Lion David Gentile. A fun time was held by all!

Lion Jerry Baumgart of the Clarkston Area Lions Club recently delivered a \$1,000 check to Michele Robinson, Manager of the Lighthouse Food Pantry in Clarkston. The funds will be used to purchase food items that are not received through donations.

Renovations are ongoing at the Lions Bear Lake Camp and include electrical upgrades, carpet replacement, drywall repair and painting. Six out of the ten cabins are finished but much work remains. Thanks to all who have pitched in to help get the camp ready for the kids!

Browning Power Systems worked to install a new 22KW generator for the cabins.

The bunkbeds are literally the exact size of the openings so it takes some wrangling to get them out and taken apart.

ZC Jim Diez works to trim the bunkbed frames down just enough to make them fit back into their spaces more easily.

Lion Jim Lykins is shown here providing a little brute force in order to get the bunkbeds apart!

It was a special night for many reasons at the Bear Lake Kick-off Dinner held on February 16 at the Fraser Lions Den. The very first Al Kassin Fellowship was presented to the family of “Big Al” Kassin in honor of his legacy as the founder of the Lions Bear Lake Camp. Governor Jim Leach, Jr. presented Elsie Kassin with the award in the presence of her family and those who knew and loved “Big Al”.

The Rochester Lions Club held their 2022 Snow Glow (formerly Fire & Ice) on January 14-15. They had a greater than expected turnout despite the chilly temperatures, selling 45 gallons of hot chocolate! Lions Paul Clark, Don Westphal and Larry Cole are shown here hard at work making the event a success for the club and the community.

The Rochester Lions Club, the Harper Woods Lions Club and the Grosse Pointe Woods Lions Clubs teamed up on February 10th to provide help to the Rochester Area Neighbor House Food Pantry. Pictured here behind the masks are PDG Connie Shelton, Lion Valerie Kindle and Lion Bruce Macgregor. Together they delivered 1,275 pounds of food to the Harper Woods Helping Hands Food Pantry for distribution to needy families and individuals in the Detroit area.

Calling all Project Kidsight Screeners and Paper Help

Fellow Lions,

It has been some time since things have been going well for us as a group, but we are hopeful that that is going to change in the coming months. To that end, we need to know how many of you are interested in continuing as a screener for Project Kidsight. We would like to update our list of screeners and decide if new training is necessary. We also are going to be performing background checks on everyone involved, this includes screeners and those who fill out paper for us. If you will be involved with the children, you need to be background checked.

So, everyone who would like to remain involved needs to let Lion Rhonda know. Please inform me by email at carousel_girl@hotmail.com. Do not call or text me, because I would like to make sure email addresses are correct for all of you, so if you have a preferred email address let me know, as well as a contact number and your club.

Please respond either way and we can get things underway for the background checks and updates to our communication list and our calendar.

I hope to have responses from everyone by the end of March and then send out background check information at the beginning of April.

Thank you,
Rhonda Furby

Lions of Michigan Foundation Dr. Robert Mathog Lions Hearing Centers

Cookbook Fundraiser

Lions Clubs are well known throughout the world for the services we provide to help people with hearing and vision loss. Nearly a century ago, Helen Keller challenged Lions Clubs to be "Knights of the Blind," and she declared that "the problems of deafness are deeper and more complex, if not more important, than those of blindness. Deafness is a much worse misfortune, for it means the loss of the most vital stimulus — the sound of the voice that brings language, sets thoughts astir and keeps us in the intellectual company of man."

Our new Lions Hearing Centers Cookbook was developed to create awareness for the treatment of hearing loss and to provide funding for our Michigan Lions Affordable Hearing Aid and Hearing Screening Programs, which offer affordable hearing care options for Michigan residents.

With your help, we can continue to change the lives of thousands of Michigan residents who need and depend on the Lions Clubs of Michigan and our partners, sponsors and friends for the treatment of their hearing loss. Lions Clubs or other nonprofit organizations who sell 20 or more cookbooks collectively will receive a \$5 rebate for each book sold to be used for their local projects.

As a Public Charity, all contributions to the Lions of Michigan Foundation are tax deductible to the full extent allowed by law. We appreciate your support!
