## DG Calls for Renewed Resolve to Serve in the New Year

HAPPY NEW YEAR!! I wish each of you a healthy and prosperous New Year. Can you believe we are into 2023 already? I read an article recently that described a conversation two people were having. One part of their conversation said "What will the new year bring us? 365 opportunities". We always tend to be looking ahead and planning for the future instead of living for the day or moment. Sometimes I believe it is good for us to take a step back and look at what is happening around us. I know this sounds odd from me as I have been saying this year to work at adapting to the changing time and moving ourselves forward. By taking time to see what is going on each day is a part of the adaptation process. We can't change if we don't see what is happening if front of our eyes. But what really struck me about the conversation was how each of us can use it as our daily motto. What if each of us took the opportunity to do one small act of kindness for each of the 365 days? Think about it, that's almost 450,000 people we could touch in our District alone. What a difference!

The new year also means we are halfway through our Lions year! It is crazy to believe there is only 6 months left in my Governor year. There is so much work we have left to do but I know each of you have the drive and dedication to accomplish anything.

Not to be a downer, but December unfortunately brought us an enormous number of drops, much more than we expected. So, we have some work to do. First, I again ask you why did you drop these members? Ask yourself is there anything you can do to get them back? Think outside the box!! Try to find a solution to bring them back. Second, Christmas has just passed, and it is the season of giving and tends to be the time most people are feeling generous and good about helping others. It is also now the time of New Years resolutions. I am sure there are people who have resolved to volunteer more or help those in need more. We need to find these people and take advantage of these feelings they are having. Let's push ourselves to rebuild the membership over the next 6 months and finish the year with positive growth.

I want to again thank all of you for stepping up with your sock donations. You guys are amazing! VDGs Kelley and Rhonda, along with myself sorted and split the socks up. We were able to provide over 4000 pairs each to MCREST and Grace Centers for Hope on December 17th. Both organizations were mind blown. This is what we do as Lions and you proved it. As a reminder, if your club has not reported a service project this year on MyLion, this is the perfect project to report.

The third cabinet meeting is January 12th in Troy hosted by RC Mark Scicluna and the Beverly Hills Lions. Please get your RSVP in as soon as possible. Also, the Michigan Lions Forum is coming up February 24th in Grand Rapids. This will be the first in-person forum in 2 years. It is a great learning experience if you can attend.

Lastly, we have a District convention coming March 31-April 2 in Mount Pleasant at the Comfort Inn and Suites. The registration information is out. I urge you to register early as the cost increases as we get closer to the event. The theme is going to be 11A2 Stampedo. Break out your jeans, cowboy hats, boots and whatever else you think and have a fun time. Our guest for the weekend is ID Dianne Pitts from South Carolina. She is looking forward to visiting us and hearing all the awesome things we do in 11A2. We are trying some new things and are hoping they will be well received. On Saturday, we are switching from the blind lunch to a diabetes lunch. PRC Roger is working on a presentation to go on along with the healthy lunch and how it relates with diabetes prevention. After the lunch we are doing a group service project because we are Lions and this is what we do. We have purchased 30 children's size blanket kits to assemble and package up. We will be donating the blankets to the Infant Pantry in Mount Pleasant.

As always, thank you for each and everything you do to help make a difference for others.

## 2VDG Monthly Submission

*"Hark, it's midnight, children dear. / Duck! Here comes another year!" – Ogden Nash*

*"And now we welcome the new year. Full of things that have never been." - Rainer Maria Rilke*

*The Time  
is Now*

That's right, we have done it again! Another milestone accomplished! But wait...there's more? As Lions we have six more months to go before our year ends, so yes there's more time... to plan and hold a new event for service or fundraising. More time to elect new officers. More time to attend our District Convention (March 31 to April 2, 2023) More time to attend a Region Meeting or Cabinet Meeting (check your emails for dates and times), more time to meet Lions you've never met before, more time to have fun, more time to report your service projects, more time to ask for help or ideas, more time to ...do what needs to be done and plan for the future.

So, though we have accomplished one milestone...(I mean who ever thought we would make it to 2023? Wasn't the world supposed to have ended already?) when we change our perspective, we still have more time to accomplish what we have set out to do.

Life has thrown us a curve, a slider, and a screwball all at the same time and we MUST find a way to change our perspective and be willing to make changes to "the way we have always done things" in order to survive. We MUST find a way to bring our very different generations together to continue our motto of "WE SERVE." And if it means we must give up a dinner meeting and hold one by Zoom instead then that is what we must do. Let's start by talking to those prospective members and finding out what they want, are they willing to compromise with our long-standing members over some things, and how would they go about making changes. Let's also talk to our long-standing members and find out what they want, are they willing to compromise with our newer members over some things, and how would they go about making changes.

Let's make it a priority to get started on changing our perspective and carry through by making productive changes designed to bring all of us together to accomplish new milestones. Please share your ideas with the rest of us!

Miracle of miracles, I have time in my schedule to visit more clubs! Let me know if you want to set something up. And if you don't need me at a meeting, perhaps I could help at one of your events? Don't wait another moment...

Respectfully submitted,

*2VDG Lion Rhonda*

## Bear Lake Camp Update

Happy New Year, Lions and Leos! The camp is starting off this year with a day group on January 16. Fifty Lapeer school teachers are coming in for a leadership and team building seminar, with other weekend groups to follow. We will not be closing down the cabins this year. As stated before, the heat and water will stay on so we can deep clean the cabins. In the kitchen at the main lodge, all the equipment was pulled out and the kitchen was power washed. This took a full weekend, done by the staff.

### Capital Improvements

We started the bathroom renovations in January by removing all the light fixtures, paper towel dispensers, and wall towel hooks. First came the drywall ceiling repair; thanks to Lions Jim Tribley and John Tribley from District C2 for doing a great job. Then two fresh coats of paint on the ceiling and the walls were applied by Lion Dave and Chris Hacker from D2, and Liz Rheaume, Stan Huges, Jim Lykins and me from A2 . After the paint dries the new paper towel and soap dispensers will be hung. I know Lion Jim Lykins will take the lead on hanging the new light fixtures. The lights were donated as a group effort by Lion Jeff Bourdeau of JB Electric and the Shelby Lions club. The camp has decided to do two cabins at a time. We really need more volunteers to help with the other 10 cabins. The taping and painting of each cabin takes 3-4 people two days to complete.

Please contact the camp directly if you or your club would like to help paint the bathrooms. If your group needs a place to stay overnight, you can stay at one of the cabins. Talk to Executive Director and Governor Traci or Jesse to set up dates and times for this work. This work needs to be done asap. The other thing to know is the new updated website. It truly looks great and easy to navigate. Please notice there is a tab for a wish list. This goes directly to an Amazon page and shows the needed items for the camp. Makes donating really easy. The Marketing committee, led by Chairs Lions PDG Fran and Tammie Grabowski of 11B2, met and are in the process of producing a new updated camp video.

It is encouraging and exciting to have Lions from Districts all over the state participating in projects to support the camp. Let's keep this trend moving!!!

## Fundraiser Updates

Saturday, February 18, 2023, will be the Sub-Zero Hero Polar Plunge at the camp. This is a new family event put on by the Lions Bear Lake Camp staff. This is a family fun afternoon event, with hot refreshments and dinner. See all the details on the attached flyer. There are over 75 people already signed up, and all MD11 and SD10 governors were challenged by DG Lion and Executive Director Traci Tribley to be part of the event and show support for the camp.

Saturday, April 8, 2023, will be the Buffalo & Boar Wild Game Dinner held at the Metamora Lions Club House. This is an annual event and a great way to support the camp. The food is gourmet wild game, and I can guarantee that you haven't had wild game prepared like this. We do need auction items, so if your club or district can put something together and get it to me or ED Traci, it would be greatly appreciated. See the attached flyer for this event

I also encourage all the district members to participate in their Lions Bear Lake Camp kick off dinner and the parade of checks. This is a way you can support this state project.

That's it for now.

## Melvin Jones 144th Birthday Fundraiser

Monday, January 16th begins LCIF week. I bet you didn't know that also happens to be our Founder Melvin Jones' 144th birthday.

How about donating \$1.00 for each of our Founder's birthdays? \$144.00 to LCIF whether individually or as a Club if you haven't already donated your budgeted amount. As a District, let's make DG Shawn a 100% President to LCIF. Also, DG Shawn would like more individuals to donate to LCIF this Lion Year.

So far this year, 12 out of 37 Clubs have donated to LCIF and 4 out of 1,363 individual members have donated.

Thank you!
