District Governor Urges LCI Reporting on Service

We've heard and seen our motto, "We Serve", many times. In general, the community at large does not know about us or our motto. Clubs have used social and print media to educate others on who we are and what we do. LCI has provided us with several tools to assist with the education.

One of the tools is reporting Service Hours on LCI's site. LCI wants all clubs to report their service hours so they can show how many people are served throughout the world. The District goal is to have every club report at least 1 (one) service project on LCI's site. So far, about one-third of the clubs have reported their hours.

The club president can designate a member other than the club secretary to complete this task. If you are having problems with this task, please contact me. If you are attending the MI Forum in Kalamazoo later this month, I will be part of a Service Hours Training session being held on Friday night.

I'm looking forward to seeing you at the upcoming events:

-  Region Meetings
-  Bear Lake Camp Dinner
-  MI Forum

Yours in Lionism,

Lion Kelley Unruh

11 A2 District Governor

Yep, It's that time of year again! Time to start hunting up club and district officers. How about you? Are you up for the challenge? If being a Lion is about "We Serve" how about serving in a different capacity? How about stepping up to take on a new role? Do you want to know more about Lions or one of our District Projects? One of the best ways to learn more is to sit on a committee, Club Board or hold a District Office. There is so much more to Lions than just our clubs. Lions have some of the best learning opportunities and leadership training around. Have you been to the Leadership Institute? Let's put that experience to work for the Lions!

Here's another quote for you: "Do one thing every day that scares you." —Eleanor Roosevelt

I can use myself as an example for this one! I've been scared every time I said "Yes, I'll do that." But don't let fear of the unknown stop you from taking your step forward. While I was hunting up a quote for this article, I was once again reminded that we can be whatever we believe we can be, and failure is part of the road to success. You don't have to know everything about the job to take it on, you can learn as you go. I've learned so much during the last two years of training! Some would say I've learned just enough to be dangerous, but in all honesty, I can tell you that it is just a few drops in the bucket. There is so much more to learn, and I try to add to it every day. So, if I can admit to being scared and not knowing it all, but still be willing to take on the job, how about you? Are you willing to try something new? Let someone know and we can find you a place. Don't worry about how much you know if you're willing to learn.

"SERVING OAKLAND AND MACOMB COUNTIES"
WWW.LIONSDISTRICT11A2.ORG

I look at everything I do as a Lion as a steppingstone, not to a higher office, but to build a better me. It's the same way we should look at all the things we do as Lions; how do we take our experiences and build a bigger, better event? Why should we be satisfied with what happened at the last event? We should be proud of what we accomplished, but we don't have to rest on our laurels. Life is about change and if we don't make changes things get boring and start to stagnate. We need to embrace change and use it to help us move forward to the next step, and the next, and the next. Before we know it, we will have moved down the road and we'll be ready to face our next challenge!

I look forward to the opportunity to see all of you at our next round of District meetings or at our District Convention in April. If you have never attended, give it a shot. If you find yourself bored and looking for something to do, let me know and we'll put you to work!

Don't wait another moment...find something new to do!

Respectfully submitted,

TVDG Lion Rhonda

The USA Canada forum is coming up in September. Now is the time to register for it. We are never too young or too old to learn and what better opportunity to learn than with fellow Lions from across the country and Canada. A bonus is that it's relatively close this year in the wonderful bourbon filled city of Louisville, Kentucky. Please see the attached information for specifics.

Lions Bear Lake Camp Update

The camp is starting its new fiscal year with a new Board President, PDG Dave Wineman along with some new board members. Good luck and here's to a productive term.

The Nature Center building is in the process of getting updated, with new drywall, flooring, and upgraded electrical for a new heating and cooling unit. This is all done by volunteers, led by Lion Jim Lykins.

Bookings for 11 youth camps are completed, for the months of June, July and August.

The camp has two Fellowship Recognition Awards, one honoring Al Kassin, the other is Ester LaMonth. Your club or district can present them to individuals who have earned recognition. See the attachment or go to the camp website. A new pickup truck with snow plow has been purchased by the camp. Jess is certainly going to have fun with that!!

The fundraiser for February is the Polar Plunge, which happens on the 10th at the camp. This is the second year for this event, and is a day time family event. There will be many district governors getting the experience of jumping into a very cold lake, along with other brave (crazy) Lion members. This event is put on by the camp staff, and is a fun-filled event.

The next fund raising event will be the Buffalo and Boar wild game dinner on April 27.

See the attached event fliers for the two events or go to the camp website.

Thank you for what you do in the name of Lionizm.

NEWS UPDATE

Clawson Lions Celebrate 25 Years "Down on Main Street"

This past year the Clawson Lions Club celebrated the 25th anniversary of its annual "Down on Main Street" Charity Car Show. The Club's premier fundraising event, held on Saturday, August 12th, has always been scheduled one week before the world famous "Woodward Dream Cruise". Nearly 450 owners brought their hot-rods, muscle cars, roadsters, vans, trucks, choppers, and bikes to completely fill both sides of a half-mile stretch of Main Street in downtown Clawson and show them off to over 8,000 visitors and car enthusiasts while competing for a truckload of trophies. With entries from all over Michigan, neighboring states, and Canada, the show is a very popular "must-do" for vehicle owners as they get ready for the "Dream Cruise" the following weekend.

The "Down on Main Street" Charity Car Show has been the Clawson Lions Club's major fundraiser each year for a quarter of a century. Proceeds from the show will enable the Club to provide financial support to Leader Dogs for the Blind, the Penrickton Center for Blind Children, the Beaumont Silent Children Speech Fund and the many other charities and service projects backed by the Club throughout the year.
